O R D E R:

The Commissioner, APVVP in his letter read above, has stated that in pursuance to the notification issued in 2007, filling up for (534) posts of CAS (Specialists), necessary counselling was held from 6th to 8th February 2008 to the CAS posts in 11 Specialties. The Commissioner, A.P.Vaidya Vidhana Parishad has stated that as per the notification that was given around 844 eligible applications were received, 372 candidates were selected for counseling and remaining 162 vacancies could not be filled up due to non-availability of candidates belonging to different categories like Physically Handicapped, Women Quota and different B.C. communities. Out of the 372 selected candidates called for counseling, only 216 candidates attended and had taken their posting orders. Hence 156 posts remained vacant in different roster points. A total of 318 posts (162+156) still remain vacant out of 534 notified posts, whereas 486 eligible candidates who could be appointed to the post of Civil Assistant Surgeon (Specialists) are still available for selection who responded to the same notification.

2. The Commissioner, A.P.Vaidya Vidhana Parishad, has, therefore, requested to issue orders on the following:-

1. Physically Handicapped Category:

No Physical Handicapped candidates are available in almost all Specialties. If permission is accorded for filling PH Category points by available merit candidates around 18 posts in all specialties can be filled up.

2. Women Category:

In certain specialties (General Surgery, Orthopedics & Pediatrics) posts reserved for women category could not be filled up for want of female candidates. It is also observed that no female candidates may be available in near future. If permission is accorded to fill the Women category point by available eligible merit candidates around 93 posts in different Specialties can be filled up.

3. Interchange of BC category points in various groups within BC Category

In certain specialties, BC-A group points are not filled for want of BC-A candidates whereas other groups such as BC-B, BC-D etc., are available. In certain specialties BC-B candidates are required whereas other groups such as BC-A, BC-C, BC-D etc., are available. If permission is accorded for selecting BC candidates within the BC Category, irrespective of group they belong to, 37 posts can be filled up.

3. According to provision (ii) under Rule 22 (2) (e) of A.P. State & Subordinate Services Rules, “where qualified and suitable candidates are not available from among the Physically Handicapped persons, the turn allotted for them in the unit referred to above, shall be carried forward for three succeeding recruitment years and the reservation for these vacancies shall cease thereafter”.

4. According to Rule 22 (2) (g), if in any recruitment, qualified candidates belonging to the Scheduled Castes, Scheduled Tribes, Backward Classes (Group-A), (Group-B), (Group-C) and as the case may be (Group-D) and women are not available for appointment to any or all vacancies reserved for them, a limited recruitment confined to candidates belonging to them shall be made immediately after the general recruitment to select and appoint qualified candidates from among the persons belonging to these communities to fill such reserved vacancies.

5. Further according to Rule 22 (2) (h) (i), if in any recruitment, qualified candidates belonging to Scheduled Castes or Scheduled Tribes or, Backward Classes (Group-A), Group-B), (Group-C) and as the case may be (Group-D) or Women are not available for appointment, to all or any of the vacancies reserved for them, even after conducting a limited recruitment as specified in sub-rule (g), such vacancies or vacancy may be allotted to the Open Competition after obtaining the permission of the Government and may thereafter, be filled by candidate or candidates selected on the basis of open competition.

6. Government have examined the proposal in detail. At present there is an acute dearth of specialist Doctors in AP Vaidya Vidhana Parishad (ie. Doctors with P.G., in Radiology, Orthopaedics, Psychiatry, ENT, Anaesthesia etc.). Hon’ble C.M has been insisting on holding Medical Camps in Village/Mandal destinations . Even after launch of ‘Rajiv Aarogyasri programme across the state, the demand for such specialists has been steadily growing. By positioning of such specialists in the A.P.Vaidya Vidhana Parishad Hospitals, scope for improved medical care to all is enhanced. In turn several of these hospitals can play a lead role in implementation of “Rajiv Aarogyasri’ programme.

7. In view of the above, and keeping in view of the urgency and acute dearth of Specialist Doctors in A.P.Vaidya Vidhana Parishad Government Hospitals, Government hereby decide and accord necessary permission to the Commissioner, A.P.Vaidya Vidhana Parishad as a special case, in relaxation of relevant clauses under Rule 22(2) and 22-A of AP State & Sub-ordinate Service Rules,1996, to fill up the vacant posts of Civil Assistant Surgeon (Specialists)

under Physically Handicapped Quota and Women Quota with the eligible and available merit candidates, besides, allowing him (Commissioner A.P.Vaidya Vidhana Parishad) to fill up the unfilled posts under various categories of B.C. Quota with the available and eligible BCs, without going for a fresh notification.

8. The Commissioner , A.P.Vaidya Vidhana Parishad is requested to take necessary action in the matter.
